CAPT. NITISH ARORA

Welcome Aboard, Future Aviators !

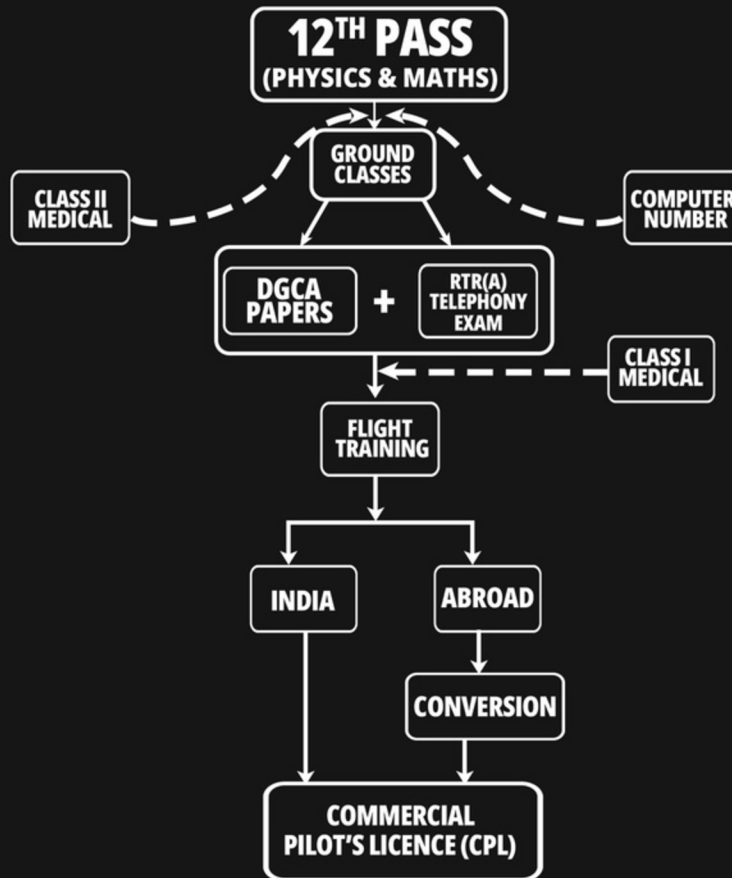

I'm Capt Nitish Arora, the proud founder of November Alpha Aviation Academy. As a child, I dreamt of an office at 35000 feet. Without any guidance, I started my journey and gained invaluable knowledge through it. This experience inspired me to start November Alpha Aviation Academy, where I could share my insights with future aviators. Along with flying, my passion to teach has led me to a career of over 15 years as a mentor. Me and My team at NAAA is dedicated to guiding you in achieving your dreams with our expert instructors encouraging a transparent, supportive and a learning focused environment. Together, as a tight-knit aviation family, we'll conquer the skies!

*So buckle up, get ready and rewrite your destiny with
NOVEMBER ALPHA AVIATION ACADEMY, where Sky will no longer
be a limit.*

I started my journey with Capt. Nitish Arora in 2021 when I just started my aviation career. NAAA was my best decision under the mentorship of Nitish Sir. He is so polite and helpful, Sir has always showed me the right way. NAAA provided me with all the required knowledge and guidance required to clear the DGCA exam as well as to choose the flying school. Staff at NAAA is very experienced and professional. These guys make you so comfortable throughout your career. I proudly say that I am a student of NAAA and my mentor is Capt. Nitish Sir. I'll suggest everyone who wants to be a pilot that they should definitely choose NAAA for the most genuine and correct guidance.

Hello, If you are looking forward to be a pilot, NAAA is the right place to kick start your career. Capt Nitish Arora will help you in all the process and his guidance will help you a lot. I had a great experience at NAAA classes. Staff is super helpful and knowledgeable. I completed my CPL from South Africa which is a partner school of NAAA. My experience was great. At my each step of flying Capt Nitish Arora was looking after us and guiding us. It was really worth it. I'll recommend everyone of you who wish to be a pilot join NAAA. You will get the best and most truthful guidance over here.

Classes Experience: The classes are well structured, covering all CPL subjects in detail. Some topics may feel overwhelming, but good instructor makes learning easier. **Instructor Review:** Capt. Nitish Arora is very knowledgeable and experienced. He explains concepts very clearly and makes everything easy to understand. **Infrastructure:** The class has very nice and clean classroom, and study materials. **Your Experience:** The course is challenging but rewarding. Staying there to help and guide whenever I needed him. **Overall Review:** NAAA is the best place to start your CPL journey. Capt. Nitish supports you at every step, even after you've cleared your exams. His guidance helped me complete my flight training in less than 11 months, and I passed every DGCA exam on my first attempt.

Joining November Alpha Aviation Academy was the best step in my aviation journey. The classes at November Alpha were thorough and engaging. The instructors ensure that complex concepts are broken down into digestible segments. They are highly knowledgeable, patient, and always ready to help. The facilities are top-notch, with modern classrooms. I found the theory application to be highly effective, and it gave me a solid foundation to excel during my flying lessons. It has a great balance of professionalism and a friendly atmosphere. Captain Nitish Sir guided me at every training stage, including my flying school selection. He motivates and inspires, which is crucial when you're feeling weak and dealing with self-doubt. I'm very happy with my training and would highly recommend November Alpha Aviation to anyone looking to pursue their ground classes and pilot training.

Best review

Completing the ground classes at November Alpha Aviation Academy has been an incredible journey. I felt supported by Capt Nitish Arora Sir and their team, as the instructors are very helpful and knowledgeable, making even the most complex subjects easy to understand. The infrastructure is so good that students won't feel discomfort, and has lots of amenities in the classroom. NAAA team and Capt Nitish Arora Sir himself provides guidance to students who also want to become a pilot. NAAA also helps you to choose the best flying schools in India as well as in Abroad. I have also completed my Pilot training from South Africa, with the guidance from NAAA and my experience was great throughout the entire training. The flight school had an excellent fleet of aircraft, and every lesson felt rewarding. There were challenging moments, of course, but the guidance I received made me feel confident, even during the toughest parts of the training. As my overall experience was great throughout this entire journey and I don't have any regrets at all... I'm grateful for the experience and the outstanding team at November Alpha Aviation Academy and Capt Nitish Arora Sir who made it all possible. If you also want to become a Pilot, NAAA is a great place to start your career! I would highly recommend to join NAAA.

DGCA LAUNCHES EPL FOR PILOTS

Union Minister for Civil Aviation, Shri. Jagan Mohan Reddy today launched the Electronic Personnel License (EPL) for pilots, a ground-breaking initiative set to modernize and enhance the safety, security and efficiency of India's civil aviation sector. With this advancement, India becomes the second country globally to implement this advanced system, following approval from the International Civil Aviation Organization (ICAO).
